# *Rensselaer County Ombudsman Program*

“Improving the quality of life for nursing home and health related facility residents in Rensselaer County.”

**Kathleen M. Jimino**  
County Executive

Joseph W. Cybulski, Commissioner  
Unified Family Services - Aging

## *Bring Sunshine into the Lives of Nursing Home Residents!*

- ✓ Do you want to learn new skills?
- ✓ Would you like to meet new people and make new friends?
- ✓ Do you like to solve problems?
- ✓ Do you enjoy visiting with older people?
- ✓ Could you volunteer 4-6 hours per week?

If you answered YES, then learning to become an OMBUDSMAN could be the most fulfilling volunteer work you've ever experienced!

**The Ombudsman Program of the Rensselaer County Unified Family Services Department for Aging needs volunteers...**

**...who are willing to be advocates for the frail elderly living in long term care facilities.**

**Through friendly visits with the residents...**

**... you, as an Ombudsman can make sure that their concerns are:**

**Heard**

**Investigated**

**Resolved**

**The Ombudsman Program is funded by Title VII of the Older Americans Act & the State of New York.**

*In Rensselaer County  
there are:*

- 8 Adult Homes with a total capacity of 310 beds.
- 9 Nursing Homes with a total capacity of 1249 beds.

Our volunteer ombudsman team needs your help to reach out to each resident of a local nursing home or health related facility on a regular basis. If you are interested in becoming a certified ombudsman, please contact Richard Haldeman, Rensselaer County Long Term Care Ombudsman Coordinator, at 270-2730. Thank you.
